TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Saurabh Shubham**, Student Of Army Institute of Technology, Pune is doing internship in ADAS domain at **Visteon Technical & Service Center, Pune** since 14th Aug 2018

During this internship, Mr.Saurabh has gained immense knowledge in the field of Deep Learning, Machine Learning and has shown extraordinary caliber by closely working with the ADAS (Advanced Driver-Assistance Systems) Team.

He is enthusiastic and diligent with a great zeal and determination to do his best in this given project. His performance and conduct has been exemplary. His contribution in this project proved to be useful and are being implemented here, which are up to industrial standards.

We would like to continue his internship program till he completes his education and we will give him full support for his studies. He has the caliber to be hired on Visteon's fulltime payroll in near future.

For Visteon Technical and Services Centre Pvt. Ltd.
